

# CERTIFICATE

This certificate is in recognition that

**Hill Thalys Architecture + Urban**

Has purchased

**58**

offsets from our cookstove project in Malawi.

Photo courtesy of Tara Rice @tararicephoto

**YOU**

have supported a project that not only reduces carbon emissions but has so many other benefits in an area where deforestation and poor health from smoke inhalation are huge problems. The project also empowers women because of the time saved on collecting firewood.

---

This certificate is issued by  
**RIPPLE Africa.**

Please visit our website [www.carbonoffsetafrica.com](http://www.carbonoffsetafrica.com) to purchase our carbon offsets.
